

## ST GEORGE ILLAWARRA DRAGONS | RED V MEMBERSHIP 2021

### TERMS & CONDITIONS OF CREDITS

- 1.1 All 2021 membership fee payments paid by you will be retained by St George Illawarra Dragons and will not be subject to a refund.
- 1.2 You will receive a credit as compensation for not being able to attend the relocated 2021 season home games as entitled per the membership package purchased by you, unless you nominate to donate your credit to support projects of the St George Illawarra Rugby League Football club, in the form of a tax-deductible donation through the Australian Sports Foundation.
- 1.3 The 2021 home games affected by relocation to Queensland due to COVID are as follows:
  - a. Scheduled for Netstrata Jubilee Stadium, Kogarah:
    - Round 19. Dragons v Titans
    - Round 23. Dragons v Roosters
  - b. Scheduled for WIN Stadium, Wollongong:
    - Round 20. Dragons v Rabbitohs
    - Round 22. Dragons v Panthers
    - Round 24. Dragons v Cowboys
- 1.4 Your credit is calculated as the value of one single game multiplied by the game entitlements undelivered by the St George Illawarra Dragons due to the relocation of games affected by COVID, respective to the membership package purchased.
  - a. "Game entitlements undelivered" means the amount of games the St George Illawarra Dragons were unable to deliver to a member due to the relocation of games to Queensland, respective to the membership package purchased. Game entitlements undelivered for each membership package are as follows:
    - Platinum: Five (5) games
    - Full Season: Five (5) games
    - Kogarah Pass: Two (2) games
    - 3 Game Kogarah Pass: Two (2) games

    - 3 Game Wollongong Pass: Three (3) games
    - Flexi 3: The remaining games out of three (3) to be attended by the member. E.g., if a Flexi member only attended one (1) game prior to relocation in Round 19, the member has two (2) games remaining. If Flexi members within the same order/membership group have attended a different amount of games, each member will be credited according to the average amount of games attended by members within the order/membership group. A "membership group" is defined as the Primary Account Holder (PAH) and linked Secondary Account Holders (SAH).
    - Dragons Faithful: Zero (0) games
    - Junior Dragon: Zero (0) games
    - Scorch: Zero (0) games
    - Little Dragon: Zero (0) games
  - i Members who reside in Queensland have had the opportunity to attend relocated games. For these members, the definition of "game entitlements undelivered" per membership package will be affected by the amount of games located in Queensland that they have redeemed tickets to, regardless of attendance. Each game located in Queensland that a member has redeemed a ticket to will be deducted from the total amount of "game entitlements undelivered" as per 1.4.a.

- b. "Game entitlements" means the amount of games a member is entitled to attend respective to their membership package. Game entitlements for each membership package are as follows:
    - Platinum: Twelve (12) games

    - Dragons Faithful: Zero (0) games
    - Junior Dragon: Zero (0) games
    - Scorch: Zero (0) games

  - c. The value of a single game is calculated as the package purchase price less the value of core benefits, divided by the game entitlements respective to the membership package purchased.
  - d. The package purchase price excludes the \$4.75 handling fee per order.
  - e. The package purchase price for renewing members is valued according to the resolution of their 2020 season ticketed membership.

  - f. "Core benefits" are valued according to whether the member received a 20 per cent discount on membership, i.e., if they were a "Red V is a Part of Me" renewing member.
    - i. "March on to 2021" renewing members core benefits are valued as \$50 for an individual membership (adults and concession/juniors) or \$120 for a family membership.
