

COVIDSafe Conditions of Entry

In accordance with Government health requirements in response to the COVID-19 pandemic, the following applies to patrons (including members, corporate guests and general public) who either purchase or are allocated a ticket to enter the Stadium for the event (depending on the current status of the Government health requirements which will change from time to time):

- Each ticket transaction / redemption process will include the capture of the primary redeeming patron's contact details for tracing and tracking purposes.
- the primary redeemer will, through their completion of the ticket transaction / redemption process, be acknowledging that they understand the requirement to adhere to the COVID-19 health obligations at the time of the ticket redemption process.

Further to the above, all working personnel entering the Stadium will be subject to the following:

- A temperature check, and should a person's temperature be recorded to be above 37.5 degrees Celsius, then the Stadium reserves the right to refuse the person entry to the event;
- The requirement for each person to provide a name, mobile phone number and email address to be used for COVID-19 tracking and follow up purposes only; and
- The requirement to provide a declaration regarding certain matters relating to COVID-19.

Any person coming to the Stadium, either in a working capacity or in possession of an event ticket **MUST NOT** attend:

- if they are unwell;
- if they have been diagnosed as having COVID-19; or
- if they have been in contact with someone with COVID-19, or currently awaiting COVID-19 test results.

All persons entering or intending to enter the Stadium are advised to:

- Avoid unnecessary contact (i.e. shaking hands, hugging, etc.);
- Maintain a physical distance of at least 1.5 metres from others;
- Practice good hand hygiene;
- Immediately notify a Stadium contact if they begin to feel ill, or are developing any COVID-19 symptoms (including fever, cough, sore/scratchy throat, shortness of breath, loss of smell/taste, runny nose, muscle pain, nausea/vomiting, diarrhoea) whilst on site – Note: if a person is suffering from or displaying any of these symptoms, the Stadium reserves the right to refuse entry to or exclude that person from the venue;
- Immediately notify a Stadium contact if they live in or have travelled from a known COVID-19 hotspot – Note: the Stadium will be conducting random identification checks as a means of preventing entry to the venue by such persons.
