19.0 SEATING ALLOCATIONS AND REQUESTS

- 19.1 2025 members wishing to renew their 2025 seats for the 2026 season will be provided with a renewal period to purchase their membership of 1 October 2025 to 5pm 3 November 2025. These dates are subject to change and will be advertised in member emails and through direct mail if changed. After the notified dates, any seats not renewed may be available for the Club to allocate to other members.
- 19.2 The Club does not warrant or guarantee that every request for membership, ticketing and/or seating allocation preference can or will be complied with.
- 19.3 The Club reserves the right to move members' seats by a reasonable number of seats. In these circumstances the member may not be contacted by the Club.
- 19.4 Seats are the property of Jubilee Stadium, WIN Stadium, Allianz Stadium and any other home stadium the Dragons play at from time to time and are subject to availability. For example, in the case of redevelopment to sections of stadiums or closures of parts of stadiums, seats may no longer be available to members.
- 19.5 Members who purchase or renew membership in separate transactions and who fail to advise the Dragons staff of a seating request to be allocated seating together, will incur an administration fee of \$15 if they require their seat to be reallocated.
- 19.6 If required, ticket allocation for the Dragons' home games at venues other than WIN Stadium and Jubilee Stadium will be allocated based on similar characteristics of WIN Stadium and Jubilee Stadium seating where possible. Some flexibility may be required due to different sized seating bays.

- 19.7 Seating requests must be placed at the time of membership purchase. Seating requests placed after the issue of membership cards will incur an admin fee of \$15.
- 19.8 New members who wish to be seated with other members who have purchased in a separate transaction must notify the Club's membership staff of this request at the time of purchase. Failure to notify the Club's membership staff of this request will incur an admin fee of \$15 if any member is required to move seating allocation after the issue of membership cards.
- 19.9 To transfer a seat to another member, authorisation must be received in writing from the current seat holder to confirm permission to change seat owners for the season. The transfer of the seat is subject to approval by the Club and, where approved, the Club will endeavour to arrange the transfer as requested.
- 19.10 Whilst every reasonable effort will be made to accommodate seating preferences, if your preference is unavailable or you do not request a seating preference, you will be allocated the next best available seat at the time of allocation. Where an upgrade is unavailable, a member will retain the seat currently held. Memberships will not be refunded based on specific seat allocation or dissatisfaction with the provision of individual elements of the entitlements.
